

CAMBRIDGE CC VETERANS' (age over 40) ALL-TIME RECORDS – 2022

A Veteran can only establish an age record if someone older or of the same age has not already gone faster. On this list any rider in **bold type** is faster than all younger riders, up as far as the next bold type age+A166 on the list. The youngest name in bold type at each distance is faster than any over-40 in the Club's history.
